SUMMARY

I'm a Full Stack Web Developer with a fascination and curiosity for Front-end and UI including SVG, CSS, and React. I combine a life-long dedication to learning with my background in fine art to make empathetic, user-friendly applications. My previous work experience in the service industry has taught me that communication, teamwork, and patience are key, and I consistently bring these to my projects.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, JQuery, Bootstrap, Material UI, Firebase, Node Js, MySQL, Sequelize, MongoDB, Express, Handlebars Js, & React Js.
Applications: Illustrator, Sketchup
